We' ve given up because
We were losing our heartbeat
Running out of breath
Everyone' s lost control
Crawling on the floor
Can' t believe that it happened
Need a little rest
We will see us this fall

Everyone walks around we' re like preachers, we' re all talk

And when you' Il call my name, l' Il be there, it' s what I came here for

Have you seen this girl? Would you take her friend?

Well you know youâ€~ve got 5 minutes to get her

Let' s ride this party as we always do

Let' s score our goals

We' ve given up because
We were losing our heartbeat
Running out of breath
Everyone' s lost control
Crawling on the floor
Can' t believe that it happened
Need a little rest
We will see us this fall

"We' re just the best l' ve ever seenâ€∏ you say and I smile And no one knows how you guys saved my live, and I

swear

I donâ \in [™]t need a girl when I got you close, I would give you all I can offer

Play this game together like we' ve always done We' II win for sure

We' ve given up because
We were losing our heartbeat
Running out of breath
Everyone' s lost control
Crawling on the floor
Can' t believe that it happened

Need a little rest We will see us this fall

Just let the instinct take all the roads Just let the rhyme get stuck in the bones Letâ \in ^M s get to the top of the world

We' ve given up because
We were losing our heartbeat
Running out of breath
Everyone' s lost control
Crawling on the floor
Can' t believe that it happened
Need a little rest
We will see us this fall

We' ve given up because
We were losing our heartbeat
Running out of breath
Everyone' s lost control
Crawling on the floor
Can' t believe that it happened
Need a little rest
We will see us this fall

We' ve given up because
We were losing our heartbeat
Running out of breath
Everyone' s lost control
Crawling on the floor
Can' t believe that it happened
Need a little rest
We will see us this fall
