

## The Anthem "High Five"

Visit "[High Five](#)" on MotoLyrics.com

All we shared in this place  
All weâ€™ve found tonight in the haze  
Life can take it back to disappear  
Can you guys be listeners?  
Can you hear me sing this song?  
I still keep on calling up your names

In this city lights are blinding  
As I see it Iâ€™m a stranger  
Your souls fill the heaven  
But walls are blank

Weâ€™ll keep your secrets  
Youâ€™ll live in us, believe me youâ€™ll live on  
In all the small things  
Youâ€™ll live in us, believe me youâ€™ll live on

Now the days are different  
And I wonder how it will be  
Blaming me for things I never said  
Iâ€™ve been overthinking  
Of the time weâ€™ll meet again  
How can we surrender to the end?

(si ripete anche questa)  
In this city lights are blinding  
As I see it Iâ€™m a stranger  
Your souls fill the heaven  
But walls are blank

Can we sing it aloud?  
Can you hear me somehow?  
When I close my eyes I feel you here  
And Iâ€™ll dream every night  
Of the times we had a fight  
And I thought we got men after all  
Let me sleep for one day  
I will be wide awake  
Just in case youâ€™ll be needing my prayers

You â€™ll be there with the stars  
We will stare at you forever

Youâ€™re the guys everyone should have known

We did face this place

Youâ€™ll live in us, believe me weâ€™ll go on

For all the moments

Youâ€™ll live in us, believe me youâ€™ll live on
