"All Along The Road"

As I walk along this road,
I see your footsteps by my side,
As I walk I start to go
Start to go, Now I'm alive

All along the Road (we'll see ourselves)
All along the Road (you lift us higher)
All along the Road (we'll see ourselves)
All along the Road

Though I love to be with you

You're there for me and I'm there for you
Oh how i don't want to fall down
And Jesus, You are always Round

All along the Road (we'll see ourselves)
All along the Road (you lift us higher)
All along the Road (we'll see ourselves)
All along the Road
