Well, we got a new dance, it's the hit of the land  
All you gotta do is thrust where you stand  
It's a do-bop, a squeal, a grunt and a squirt  
Yeah, it's called The Werebear, and it just might  
hurt

Let's do The Werebear  
And let the werebear do you  
Let's do The Werebear  
Right here in Malibu  
Yeah!

Sweepin' the nation just like civil rights  
(Werebear)  
It's the latest sensation for long, long lonely nights  
(Werebear)  
Well, it's a one, two, three, thrust  
I said, one, two, three, thrust!  
Growlin' and howlin' and do it again!

Let's do The Werebear  
And let the werebear do you  
Let's do The Werebear  
Right here in Malibu

Ahhh, yeah!  
One, two, three, thrust!  
One, two, three, thrust!  
Growl, howl, do it again!  
One, two, three, thrust!  
One, two, three, thrust!  
Oh, it never has to end!  
One, two, three, thrust!  
One, two three, thrust!  
Growl, howl, do it again!  
One, two, three, thrust!  
One, two, three, thrust!  
Ooohhh!

Everybody gather round  
You'd better not let this madness go down  
All he wants is to eat your flesh

And turn you into your supertime Pez  
They got good lines  
They flirt real good  
But they just want to make you their food, yeah!  
They wanna make you their food!

Let's do The Werebear  
And let the werebear do you  
Let's do The Werebear  
Right here in Malibu  
Ooooh, yeah!

One, two, three, thrust!  
One, two, three, thrust!  
Growl, howl, do it again!  
One, two, three, thrust!  
One, two, three, thrust!
