My way my way
This is way every day
No change ups

So I never said bless
The God gift to the world
Cause I make a bitch of every girl
Trying to make it rich with no refer
This is how it sound but it's ex no earl
Been in a stretch with a lesbo girl
I like kissing women 50 and the 100
Put me on a position get you nigger all 100
Yeah I still won't give a fuck
See with me it's no hoping
No nothing no fronting
Why you called us for
Be in Brazil with a bitch in Brazil
And I swear she want my ..on Venice
and even if i never fly there
I still cleaned up no chores for the year
Beam me up until I am close to the rear
So close like an ice .. stare
Yeah
This is way every day
No change ups

Thanks to feel
