I've been searching for answers
And I've been running on faith
I've been thinking it over, but you keep running away.

I've looked through the streets in the rain
Every seat on the train for your face
In the windows above all the places we loved, not a
trace

Take me back to 2nd Avenue
Take me back to 2nd Avenue
Take me to you

Are you still walking in circles while I'm up in the air
Are you tripping through clovers
Down on Washington Square

I've looked through the streets in the rain
Every seat on the train for your face
In the windows above all the places we love, not a trace

Take me back to 2nd Avenue
Take me back to 2nd Avenue
Take me back to 2nd Avenue
Take me back to 2nd Avenue
Take me to you
Take me to you

I've looked through the streets in the rain
Every seat on the train for your face
In the windows above all the places we loved, not a
trace

Take me back to 2nd Avenue
Take me back to 2nd Avenue
Take me back to 2nd Avenue
Take me back to 2nd Avenue
Take me to you
Take me to you
Take me to you
Take me to you
Take me to you

I've looked through the streets in the rain
Every seat on the train for your face
Take me to you
In the windows above all the places we loved, not a
trace
Take me to you
I've looked through the streets in the rain
Every seat on the train for your face
Take me to you
In the windows above all the places we loved, not a
trace
