Label said hero, I graduated zero
I was doing what I could to get by

Jody was a looker, a high school hooker
She loved to make the big boys cry

My time is still standing seems never ending
Got a loaded pistol by my side

Dirty brass polls lines up her nose
I always knew she would be a black dress bride

[Chorus 1:]

Ought to be crazy, I'm too damn lazy
To sit around thinking of you
I should have somehow realized by now
I'm doing something I shouldn't do
I'm hurting so strung out still missing you

Laid out before me
She said she adored me
And she told me that she liked to get high

Talking about a big deal
Devil in high heels
She took me for a one way ride

How did it come to this
Power of a woman's kiss
Put me in a grave close by

Dealt a bad hand
I know I should have ran
I guess it probably could have saved my life

[Chorus 2:]

Ought to be crazy I'm too damn lazy
To sit around thinking of you
I should have somehow realized by now
I'm doing something I shouldn't do
I'm going straight out of my head still missing you

I'm still missing you

[Chorus 1:]

Ought to be crazy, I'm too damn lazy
To sit around thinking of you
I should have somehow realized by now
I'm doing something I shouldn't do
I'm hurting so strung out still missing you
