[Chorus]

Girl lets cuddle up, It's gone be a long ride better
buckle up
I hope you don't mind if I wanna touch, but only if you
let me
and she looked at me and told me that she ready
she ready(x8)

[Verse 1]

She ready like my label piercing on the navel
I don't tell no fables, I promise I'm gone break you
your last man was a lame, I bet you that he ain't better
Just give a chance and I bet u I go Mayweather
girl you better stop, you playing with my hormones
I can come deliver it or you can get Digiorno
so come on and jump on, I can tell you jetty
and she wore my shirt that say I'm always ready
she ready, i like that
it's getting hot in here where the ice at
(one minute) I'll be right back
right back

[Chorus]

[Verse 2]

I know you wanna u do this, turn on some of my music
I'm good I'm cool whip, yea lets use the cool whip
beat it till I bruise it, scratches I got Â several
and she call me daddy even though I never met em
(na)
don't make me beg for it her legs on the headboard
why is your legs sore, your legs on the headboard
thats backwards it don't matter cause u sexy
only cause u wore my shirt that say I'm always ready
she ready, i like that
girl you you know I love it when you fight back
extra excitement

[Chorus]

[Bridge]

she ready, I like that

(ooh)
she always ready, I like that
(ooh)
she always ready

[Chorus]
