reaching out for you  
all i catch is air  
a breeze that's empty  
i'm left with nothing, nothing without you

open up my eyes  
to an empty room  
painted black and blue  
from all the years  
i loved you

where did it go wrong  
and where have you gone  
i ask myself

another day gone by  
there's no more you and i  
i just can't wipe you from my mind  
hello, goodbye

another day gone by  
there's no more you and i  
i just can't wipe you from my mind  
hello, goodbye

you're like i shadow i just can't touch  
a breathe i can't see  
a tear that's no more

another day gone by  
there's no more you and i  
i just can't wipe you from my mind  
hello, goodbye

another day gone by  
there's no more you and i  
i just can't wipe you from my mind  
hello, goodbye

this is my last note to you  
one day you'll miss me too  
and then you'll say!

another day gone by  
there's no more you and i  
i just can't wipe your from my mind  
this is goodbye
