I wanna kiss you
I wanna touch you there
I wanna be the one
I need a lover
I wanna be the one
who love you twice
I wanna take you to the limit
'cause you feel so right
I just wanna feel your love
when I'm on the floor, come on...

[Bridge]

Dance
if you wanna feel it close and tense
Take my hand
things would never be the same again
Feel the beat
and the rythm inside of you, come on...

[Chorus]

Kiss the DJ (4x)

[Strophe]

I wanna lick you
I wanna taste your skin
I wanna take you home
I only play to win
I wanna see you again how you licking lips
I wanna taste you on some candy and my magic stick
I can make you sweat when you come to me, come on...

[Bridge]

Dance,
if you feel the way I'm feelin babe
I can take
you and me making scream my name
Feel the heat
the fire inside of you, come on...

[Chrous]

Kiss the DJ (9x)
