Tell me why you don't understand
Why mainstream people hide their heads in the sand
Tell me why you choose not to see
All these people livin' in misery

It's a Kruel world

Don't be frightened by the shadow on the ground
Just do your best to keep it comin' back around
Don't be frightened by the shadow on the ground
Just do your best to keep it comin' back around

It's a Kruel World

If he hurts you, then trust me,
I'll do my best to see if
I can set you free
If he hurts you, then trust me,
I'll do my best to see if
I can set you free

It's all true there's no escapin'

It's a Kruel World that we live in
It's a Kruel World
It's all true there's no escapin'
