I feel like
I feel like
I'm just about to loose my mind
Yeah I'm going down
I'm falling down
Into a loathe
that would make anyone cry

Whatever life may have in store
just don't let me get bored
I'm at my best
when I'm always on recess

I'm going door to door
begging for something to do
They should quarantine boring people
Please do
When the session is over
and the therapy ends
I still need entertaining
24/7

I'll only go golfing if I get to drive
I've only ever fished for compliments
The only thing I've ever read
is a comic strip
Why play kick the can
when I could kick the bucket

Whatever life may have in store
just don't let me get bored
I'm at my best
when I'm always on recess

I'm going door to door
when I'm bored with all my friends
Soliciting for new ones
the moment the fun ends
Intervention is over
but I'll say it again
I still need entertaining
24/7

I'll only step in a museum
if I've lost my mind
Will I take up reading?
Well never in my life
I'll only listen to a lecture
with a band of flashing lights
I can't sit through the same movie twice

I'm going deeper in debt
every moment
Cause I like to buy stuff
just so I own it
I'll never play chess
or get good grades
Now it's terrifying
Don't make me use my brain

Whatever life may have in store
just don't let me get bored
I'm at my best
when I'm always on recess

I feel like this isn't right
I'm just about to lose my mind
I'm moving out to a different town
Must be something wrong
if it's not fun all the time
