I can never get her off my mind
The more I'm around her I realize
I always happier when I'm with her
I wish that she could know

I would do anything
just to hold her hand
and be her man
I would be with the most
beautiful girl in town

If I wasn't so shy
I would try to talk to her
But at the sound of her name
I get weak

I try to be myself
but when she's near
I get so nervous
Things need to change
I just need to show her that

I would do anything
just to hold her hand
and be her man
I would be with the most
wonderful girl in town

If I wasn't so shy
I would try to talk to her
But at the sound of her name
I get weak

I can never get you off my mind
The more I'm around you I realize
I always happier when I'm with you
I wish that you could know

I would do anything
just to hold your hand
and be your man
I would be with the most

beautiful girl in town

If I wasn't so shy
I would try to talk to your
But at the sound of your name
I get weak

I wish that you could know
