The news gave their last report  
they said that we're gonna die  
We went to the courts  
without asking why  
This is our last stand  
we've been ready for a while  
So here's the back-up plan  
we're going out in style

Playing ball at the end of the world  
Dealing with Armageddon unfurled  
Apocalypse won't stop us now  
We're playing ball  
at the end of the final countdown  
Four, Three, Two, One

I have the ball first  
by the burning tires  
I shoot and I score  
hey, I'm really on fire!  
It's getting complicated  
to dribble the ball  
while dodging debris  
and trying not to fall

So run, run, run down the court  
The stakes are higher  
than just the final score  
So run, run, run down the court  
The stakes are higher  
than ever before

Playing ball at the end of the world  
Dealing with Armageddon unfurled  
Apocalypse won't stop us now  
We're playing ball  
at the final countdown, yeah

Volcanoes, tornadoes  
doomsday machines  
dancing on hot coals  
This game is heating up

Surfing the shock waves  
dunking off an asteroid  
Surviving the last days  
is gonna be tough  
So run!  
Yeah run!  
Let's rock!

Four, Three, Two, One

Playing ball at the end of the world  
Dealing with Armageddon unfurled  
Apocalypse won't stop us now  
We're playing ball  
and we're going out in style  
at the end of the world  
Dealing with Armageddon unfurled  
Apocalypse won't stop us now  
we are going out in style  
Playing ball at the end of the world  
Playing ball at the end of the world  
Apocalypse won't stop us now  
Playing ball at the end of the final countdown
