Pressure system (x3)
force behind the missing
Looks are deceiving
see youâ€™ve over looked them
Youâ€™re disbelieving
youâ€™re already pulled in

Collecting people like rain water
Falling the crowdâ€™s the qualifier
Cry, do do
brought on when you caved in

Adverse decision
brought on when you caved in
Oh yeah, when you caved in
Oh yeah, when you caved in
Crowd cohesion
trend against whatâ€™s different
Oh, sentence of segregation
Oh, failureâ€™s cataclysm

Hello peer pressure
Thanks for ruining everything again
Again, you burden me
Hello peer pressure
thanks for ruining everything again, again

Looks are deceiving
see youâ€™ve over looked them
Pressure system (x3)
Force behind the missing
Woo!

Cry, do do
brought on when you caved in
Crowd cohesion
trend against whatâ€™s different

Hello peer pressure
thanks for ruining everything again
Again you burden me
Hello peer pressure

thanks for pretending you can unite
people as friends once again
itâ€™s all pretend
Pressure System (x3)
Force behind the missing, yeah

I just had a couple things that I still wanna say
get it off my chest and all do it today
Diverting people like drain water

I just had a couple things that I still wanna say
get it off my chest and Iâ€™ll do it today
Falling the crowdâ€™s the qualifier

Just a couple things, just a couple things
Pressure System
