When we out in the moonlight
lookin' up at the stars above
feels so good when i'm near you
holding hands and making love

Ooh baby
you're so baby
ooh baby
you're so baby

Sandy beach, was makin' love
As a tide moves in on us
feels so good walking side by side
wanna be with you all my life

Ooh baby
you're so baby
ooh baby
you're so baby
ooh baby
you're so baby

Dreams of you all the time
feel so good i want to get that right
just can't wait till tomorrow
come on baby let's shake it

Ooh baby
you're so baby
ooh baby
you're so baby
ooh baby
you're so baby

When we're out in the moonlight
looking up at the stars above
feels so good when i'm near you
holding hands and making love

Ooh baby
you're so baby
ooh baby

you're so baby
ooh baby
you're so baby
ooh baby
you're so baby
ooh baby
you're so baby
ooh baby
you're so baby
