A Kinski assassin blew a hole in my chest
Now I walk up out with the dream bullet vest
A sea will be vessel for the sperm-headed brain
Mother twin genesis went down with the blame
Kinski assassins of angels and Athens
Hey, who sunk my battleship
Hey, I sank my battleship
Heyy, who sunk my battleship
Hey, I sank my battleship!
Crib notes pacifistic polymonoga
Masturbator's a whore (that's right)
Kinski assassins of angels and Athens
? little fetus learning truth but not fact
Clannihilators that doom and distract, paramour
I will always, I will always have Paris
I will always, I will always have Paris
Kinski assassins of angels and Athens
Australian-made nibblers with the steam pocket slacks
Backlit Jacuzzi, want to fondle your ass
Suicide dumplings dropping testicle bombs, bombs,
bombs
Kick-outs in technicolor talk to your mons
Kinski Assassins, double agents and Athens
Hey, who sunk my battleship
Hey, I sank my battleship
Who sank my battleship
I sank my battle trip
Passocist masochist, polymonogamasturbators ahoy
Like young Sigmund Freud
Kinski Assassins double agents and athens
Blond seizure bombshells and the blowjobs of death
Bring on the bog and shemales hopped up on meth
I will always, I will always have Paris
I will always, I will Always have Paris
Kinski Assassins of angels and Athens
Hey, who sunk my battleship
Hey, I sank my battletrip
Hey, who sunk my battleship
Hey, I sank my battleship
Hey, who sunk my battleship
Hey, I sank my battleship

La la la la! That's right!
