Leonie
Arjan Brass

Leonie, Leonie
I dream of only you
And it seems you're somewhere around
With anything I do, with everything I do

Leonie, Leonie
I dream my life away
Make believe you're still around
In dreams of yesterday

Leonie
All those years I searched for you
But you never came to end the dream
Leonie, you are flowing on my mind
Like a never, like a never ending stream

Leonie, Leonie
I dream of only you
And it seems you're somewhere around
With anything I do, with everything I do

Leonie, Leonie
I dream my life away
Make believe you're still around
In dreams of yesterday

Leonie
I recall the days I spent with you
The little words and things we used to say and do
Leonie I can't get you off my mind
And I wonder, wonder why I love still

Leonie, Leonie
I dream of only you
And it seems you're somewhere around
With anything I do, with everything I do

Leonie, Leonie
I dream my life away
