she would stare into the sun,
screaming loud in summer heat.
she would fly away from him,
solid melting into sky.

mirror cracked,
her day won't shine.
love has stripped her body tame.
and love still reaching out
is softness touching stone.

"awake me.
heaven break me."

"awake me.
heaven break me."

you didn't believe that
you didn't believe that
you didn't believe that I could love you.
you didn't believe that
you didn't believe that
you didn't believe that I was there.
