all I can remember:
a blow to my head
and then there was darkness
and then there was pain

all I can remember:
that noise in my ear -
and then there was silence,
and then there was fear.

time travel in texas
see where it gets us
time travel in texas
see where it gets us
time travel in texas
see where it gets us
time travel in texas
see where it gets us

all I can remember
they banged the drum to quiet the child
and then there was laughter
laughter running wild

time travel in texas FAIL THE RAIN
see where it gets us THAT FAIL RAN THROUGH ME
time travel in texas FAIL THE RAIN
see where it gets us THAT FAIL RAN THROUGH ME
time travel in texas FAIL THE RAIN
see where it gets us THAT FAIL RAN THROUGH ME
time travel in texas FAIL THE RAIN
see where it gets us THAT FAIL RAN THROUGH ME
