[Arlissa â€“ Chorus:]

oh itâ€™s hard to love somebody when thereâ€™s no  
more love to give

oh you took away my sunshine, now rain is all there is  
and itâ€™s easy to get lost when you got nowhere left  
to go

oh itâ€™s hard to let somebody when all i want is  
all i want is you

[Nas:]

can we talk for a bit, brought you a miniature yorkie  
when you walk i mean you switch in engulfs me  
lick you off my lips like salt and vinegar chips  
but now you act salty verbally you assault me  
often iâ€™m an all star marksman, yeah my star ship,  
take me up to nikes darling i beg your pardon  
this wasnâ€™t part of our arrangement  
now youâ€™re bangin on my door i need an order of  
restraintment

[Arlissa â€“ Chorus:]

oh itâ€™s hard to love somebody when thereâ€™s no  
more love to give

oh you took away my sunshine, now rain is all that is  
and itâ€™s easy to get lost when you got nowhere left  
to go

oh itâ€™s hard to let somebody when all i want is you

[Nas:]

what you did to the kid ainâ€™t a bit as capital  
punishment  
you wanna split that quick already done with us  
you the one i spend money with, winters and summers  
with

thought we was more than sexual we was on some  
other issh

luxury when you trusting me stressing me  
i just up and leave, iâ€™m staying psycho free  
hard to love somebody else but you  
but now iâ€™m missing you arlissa ru'
