

We live our songs of freedom
That's all we ever had
This time there's no redemption
We're gonna fight our way

We sail across the ocean
To find what is ours
We set sail to conquer
We are riders on the storm

We sail away to the edge of the world
So light up the candles
A sailor dies tonight
We sail away to the end of our time
So light up the candle
A sailor dies tonight

We won't rest till we got what is ours!
