Fear will grip, my soul
If I dare for something, more
See I've lost so many, in times
Before, my love
So I pray it isn't, so
That I pace this room, alone
Oh alas, I live and breathe
In vein, my love

CHORUS

And if I have faithful eyes then,
Please let me see
Oh must I fall to pieces?
Here at your feet
And if I'm ever to know you then,
Please let me be
And my love, my love

Fear will grip, my soul
If I dare for something, more (high)
See I've lost so many, in times
Before, my love

CHORUS

PIANO SOLO

I was once alone,
And my heart was cold as stone,
But I know I've seen your face,
Before my love
