Lies are the words i use  
When you look up hopefully  
All of the things that we feel  
Are a trick, a fantasy  
What is the end?  
Is it love i prtend?  
It's calling, It's calling  
And i'm falling, I'm falling  
And she said pray to me, pray to me  
All the love you see, it comes from me  
She said pray to me, pray to me  
All the love you see, it comes from me  
She said I see, I see, I see, I see  
She said pray to me, pray to me  
Pray to me, pray to me, but it was

All lies, a pack of lies, it was all lies  
Why don't you fuck of and die  
It was all liesm a pack of lies  
It was all lies, all lies

Lies are the light and hope  
In your eyes as they shine on me  
Tie up my hands with your chains  
They are bound to set me free  
I'm singin, I'm singing  
And o that i'm clinging  
The word that i say  
Only drag me away  
And i say pray to me, pray to me  
All the love i see comes from me  
I say pray to me, pray to me  
All the love i see belongs to me

I said I see, I see, I see, I see  
I said pray to me, pray to me  
Pray to me, pray to me, but it was

All lies...

Lies are the hopes anf the chains  
That have dragged me here to you

All the hopes and these chains  
I will gladly share with you

It's raining, it's pouring  
The old man is snoring  
It's raining it's pouring  
And i'm falling, I'm falling  
And she said pray to me, pray to me  
All the love you see, it comes from me  
He say pray to me, pray to me  
All the love i see belongs to me  
He said I see, I see, I see, I see  
He say pray to me, pray to me  
Pray to me, pray to me, but it was

All lies..
