Give me the push, give me the push
Over the side, over the side
Look in my eyes, look in my eyes
Give me the push, over the side

I'm alive, I'm alive, I'm alright
I'm alright, I'm alright, I'm alive
I'm alright, look in my eyes
Is it Hell below or God on high?

Look in my eye's, look in my eye's
I'm alright, I'm alive
Give me the push, give me the push
I'm alright, I'm alive
Give me the push, give me the push
Over the side, over the side
Look in my eyes, look in my eyes
Give me the push, over the Side

I'm alright, look in my eyes
It's Hell below and God on high
