you've spread your wings and learned to fly
you've tried and tried and now you've succeeded
weil, that's too bad, that's too bad, that's too bad
i'm alive, that's too bad, that's too bad
open your eyes, revenge, open your eyes
revenge, open wide

you've fooled them once, you've fooled them twice
they think you're nice but no, you're just clever
that's too bad, that's too bad, that's too bad
my friend, that's too bad, that's too bad
this is the end, revenge, you die, you die
revenge,

you want to know why? you want to know why?
you die? you die? you want to know why?
you want to know why? you die! you die!
that's too bad, that's too bad, that's too bad, i'm alive
that's too bad, that's too bad, i will survive
and the band played some good'ole
rock'n'roll

what i want most in the whole wide world
is a girl just a girl one who will keep me
from losing my mind one who will keep me
from losing my mind and she'll be the best
girl in the whole wide world she'll be the
best girl in the whole wide world
revenge you die! you die! you die!

revenge.
