He kept trying
He kept trying
But he couldn't find out
Why he couldn't stop crying
Only so many songs can be sung
With two lips, two lungs and one tongue

She kept praying
She kept praying
That she would understand
What she was saying

Only so many songs can be sung
With two lips, two lungs and one tongue

He kept dreaming
He kept dreaming
Of the day they'd realize
What he was feeling

Only so many songs can be sung
With two lips, two lungs and one tongue
