

NoMeansNo "Wake Up"

Wake up!
Wakey, wakey, eggs and bacey
Use your noses, wake up
Smell the coffee, smell the coffee
Smell the roses, use your noses

I want - more money
More booze
More fun
I'm not done
I want - more money
More of you honey
More fun
I'm not done, I'm not done

Wake up!
Snap out of it, rise and shine
You snooze, shine and rise, you lose
Smell the coffee, smell the coffee
Smell the roses, use your noses

I want - girls and boys
More noise
More three ways
24hours
More of you, more of me

You rise, you shine
