

## ASAP Mob "Persian Wine"

Visit "[Persian Wine](#)" on MotoLyrics.com

A\$AP murder clan, ride with the mob  
Twinkle in the eye cuz you ridin with a star  
Rebel all black and we dyin' for the cause  
Keep your hands down when you talkin' to a boss  
See Lou Banga ridin' in a Porsche  
Bet that nigga teeth look better than yours  
All gold slugs and I don't need to floss  
Young Trap Lord, might die on a cross  
Gold link chain swing down to my balls  
Bout to rule the world, gettin' signs from the Lord  
Lord say "Ferg, damn you my boy  
Wanna be on top? Nigga, it's your choice"  
I don't give a fuck, I'mma ride with my niggas  
Ride on the block, gettin' high with my niggas  
High to the sky, puff lye with my niggas  
Drunk drive with my niggas, I'mma die for my niggas,  
uh  
I'mma ride for my niggas  
Toke chron for my niggas  
Pull a 9 for my niggas  
Drunk drive with my niggas  
Get high with my niggas, uh  
Profile for my niggas  
Get high with my niggas  
Puff lye with my niggas  
To the sky with my niggas  
I'mma die for my niggas  
Get in your skin, like a dermatologist  
Bunch of dirty niggas who ain't never been to colleges  
Fuck your hypothesis, I be on that rider shit  
Bang him over the head, I bet that shit'll silence him  
Large and a stallion, bitches be Italian  
God pray for me, I know my daddy smiling and  
I'm gon make you proud, save me a cloud and when  
I make it in heaven you'll be by my side again  
Bless all my violent friends, they don't know right  
All they know struggle pain all of their life  
Washing down pain with that purple and Sprite  
Murder? fuck your side  
Uhh, cuz D Ferg got the fuckin' toast  
Cuz A\$AP fuckin' do the most  
Uhh, with the 9 I'm a fool at the?

Ridin' to the club with a snub nose
