Explain [Intro]

You fools don't know when I roll up on you I will have to

This goes out to the motherfuckers who die jealous

[Verse 1: Bodega Bamz]

My bitch love, she love me

Gangsta Papi, from the East

And I got that coke for sale

Dirt cheap, talk to me

I'm thankful for my connect

Sidewalk exec, OG respect

Dead Prez rollie, cuban link hang on my neck

Lex coupe, 99, big trouble, 45

Shoot 'em, shoot 'em, shoot 'em, came here to remove
'em

Give me black and blue diamonds in my watch, how I
bruise 'em - no kiddin'

Clear blue 'em, day after pill den lose 'em, I got one

I wanna pop tax for ten years straight, I'm gettin' there

You been afraid, I been prepared since I was ten years

Oh, I'm a young god, that's word to Allah

Told that bitch to suck my...

I thought I told her?

[Hook]

Huh, huh, huh?

I thought I told ya? (x4)

[Verse 2: ASAP Ant]

Riding real slow, getting this dough

Sippin' & tippin' & drinkin' real slow

Blowing out O's, gun on my side

Gun in my ride, gettin' that chrome

Hittin' & splittin' & crackin' your dome

Niggas be sick, pulling they bitch

Having their hoes, suck on my dick

Lord Infamous shit, shout out to Three 6

Switchin' my flow like I'm switchin' my hoes

(Pass the purp man

Don't try and talk smoke)

Niggas talk crazy we taking they dough
Big long .44 with the nose
Left em slump in the driver seat
Fuck the Benz, just a Grand Marquis
Loot in the backseat, menace to society
Trap in a house fuck cops can't find me
Over the stove, still mixing
Selling big weight, no pitchin
Cookin' sittin' flippin'
Ink for the trappin', trap for a million
Aim for the sky got no time for ceiling', nigga
(ASAP Ant in this mothafucka)

[Outro]
