### Verse 1:

Butterflies & apple blossoms,  
hearts painted in red.  
Flowers blowing in the breeze,  
And flying cradle beds.  
A garden full of lilies, flowers,  
Pretty little things.  
Oh, please don't wake me  
From my little Eden Garden dream.

### Chorus:

I'm a girl that's looking for that Eden  
Garden love.  
Look at Adam as he has that look upon his face,  
To know that Eve's a part of him,  
And he's apart of God.  
I'm just a girl looking for that Eden Garden love.

### Verse 2:

One day, I'll bask into a smile so heavenly,  
I know that God has custom made a priest  
for me.  
And I will be his Queen,  
Once he presents me with a ring.  
Oh, what a joy, what love, what happiness  
And blessing it will bring.

### Chorus

### Vamp:

Love is God and God is Love,  
And that's one thing that's true.  
Oh, love is patient, love is kind,  
And never, ever rude.  
It never envies, always trusts,  
When nothing's left, love is enough.  
So God keep me, till You find for me that love.

### Chorus

### Ending:

If you're just like me, then you're just a boy  
Looking for that Eden Garden love.

There ainâ€™t nothing wrong,  
Ainâ€™t nothing wrong looking for that Eden Garden  
love.
