Chant: (Oh x15)

Verse 1:

I used to feel lost and alone, in a dark place.

No one to call on to fill this empty space.

Hook:

I used to fear for my life, put myself in a box.

Now, I'm no longer bound, He took the limits off.

Stayed up so many nights, had a lot on my mind

But I gave up that fight.

Chorus:

Yes, I am stronger. I fear no longer.

I'm an overcomer, since He took the limits off.

I am a fighter. And I am wiser.

I'm an overcomer, since He took the limits off.

Chant (Oh x15)

Verse:2

I used to cry, a lot.

But now, I am tear free.

~Cause I step on by faith

I've realized I've got the victory.

Hook

Chorus

Bridge:

No holding on.

No more, I'm letting go. (Repeats)

(Adlibs)

No more hurting, no more pain, no.

No more struggling. Give it all back, give it all back.

No more unforgiveness, no more heartache.

No more bitterness. No more just give it up.

No more doubting. No more ungodly fear.

No more envying, just give it all back, just give it all back.

No more over eating, no more sin, no more.

No more feeling defeated. Give it all back.

â€~Cause victory is yours.
Victory is yours! Victory is yours!
VICTORY TODAY IS YOURS!
