Verse 1:

You should never question
If I got your back.
Not to mention you're a part of me,
That's a fact.
We're in this together
Put your hand in mine.
Don't you fear, I'll be right here
We'll get through this just fine.

Chorus:

Flying with your wings are broken
Though you're hurting and its unspoken.
But if you need my hands
I'm here to catch you when you fall.
Flying with your wings are broken
Though you're hurting and its unspoken.
But if you need my hands
I'm here to catch you when you fall.
I'll catch you when you fall.
Oh.

Verse 2:

You should never worry
If I heard your prayers.
Just learn to trust me
I'll handle all, all your cares.
We're in this together
Put your hand in mine.
Have no fear, I'll be right here
We'll get through this just fine.

Chorus

Ending:

~Cause one day you will smile again
Every tear, every sorrow will come to an end.
Oh.
I will catch you anytime you fall.
If you need me all you do is call.
I will catch you anytime you fall.
Trust and Believe.

Put your faith in me.
Iâ€™™ ll catch you when you fall.
