Underneath The Cold November Sky,
I'll Wait For You.
As The Pages Of My Life Roll By,
I'll Wait For You.
I'm So Desperate Just To See Your Face,
Meet Me In This Broken Place..

Hold Me Now,
I Need To Feel You.
Show Me How,
To Make It New Again.
Theres No One I Can Run To,
And Nothing I Could Ever Do,
I'm No Where If I'm Here,
Without You.

Even If You Take It All Away,
I'll Wait For You.
Even When The Light Begins To Fade,
I'll Wait For You.
I'm So Desperate Calling Out Your Name,
Meet Me In This Broken Place..

Hold Me Now,
I Need To Feel You.
Show Me How,
To Make It New Again.
Theres No One I Can Run To,
And Nothing I Could Ever Do,
I'm No Where If I'm Here..

I'm Tired Of Running,
Wrestling With These Angels.
I Lay Down My Life,
And I Surrender!

Hold Me Now,
I Need To Feel You.
Show Me How,
To Make It New Again.
Theres No One I Can Run To,
And Nothing I Could Ever Do..

Hold Me Now,
I Need To Feel You.
Show Me How,
To Make It New Again.
Theres No One I Can Run To,
And Nothing I Could Ever Do,
I'm No Where If I'm Here,
Without You.
