Hey dude yeah you
I think I know your story but
I'm not sure
Cause you look kinda happy
Just like one boy
I used to know who got rejected
like you tonight

Come on
You like that girl
Its obvious that you would try to deny
Don't try to fool me
Cause I can see in your eyes
So imma tell you stuff
that might hurt uhh you tonight

Pre-C:
She likes this girl I know
So I think
You're just too late to know
Maybe its just a rumor
but I don't know
But I think I've seen them both before

Chorus:
So wait, Hey x8
Don't leave me now
Laddy x4
Don't be down now
Maybe x4
She's a bi so
you have
a chance
with her
Verse 2:

Come on cheer up
They're lotta pretty girls there
You could flirt out
I know you wouldnt do it
but atleast try to
forget bout the other girl
that you met

Chorus 2x

You gotta move on~
You gotta move on~
You gotta move on~

Chorus 3x

ah ah ah ooo~
(you gotta move on)
ah ah ah ooo~
(you gotta move on)
ah ah ah ooo~
(you gotta move on)

Chorus~
