Oh Oh 3x

Oh Oh 2x

You know the time keeps you running, running.
Even when one heartbeat Â left stop beating

Knowing the time keeps going faster
Chasing the one they are always after

Never Wait x2
Time never waits for someone
Never wait x2
Never wait for anyone
Never wait x2
Moving faster than the sun
Never wait x2
T-t-time never waits

Do you know how to live your dream?
Get to know it just a little bit longer

Been thinking how much that girl means to me
Get to know her just a little bit longer

Never Wait x2
Time never waits for someone
Never wait x2
Never wait for anyone
Never wait x2
Moving faster than the sun
Never wait x2
T-t-time never waits

Moment does not repeatÂ
Make the best out of it
You hear me
I hear you real good

The choice you have to make
Choose the best out of it
You hear me
I hear you real good

Moment does not repeat
Choose the best out of it
Moment does not repeat

It's just that time never waits

Oh Oh 3x
Oh Oh 2x

Slowly knowing that she was gone
Now you know how much you were wrong

Slowly knowing that your life has changed
Just because you were kind of afraid

Never Wait x2
Time never waits for someone
Never wait x2
Never wait for anyone
Never wait x2
Moving faster than the sun
Never wait x2
T-t-time never waits

Moment does not repeatÂ
Make the best out of it
You hear me
I hear you real good

The choice you have to make
Choose the best out of it
You hear me
I hear you real good

Moment does not repeat
Choose the best out of it
Moment does not repeat

It's just that time never waits

Moment does not repeatÂ
Make the best out of it
You hear me
I hear you real good

The choice you have to make
Choose the best out of it
You hear me
I hear you real good

Moment does not repeat
Choose the best out of it
Moment does not repeat

Moment does not repeat
Choose the best out of it
Moment does not repeat

It's just that time never waits

Oh Oh 3x
Oh Oh 2x

Oh Oh 3x
Oh Oh 2x
