When I get home babe, I'm gonna light your fire  
All day I've been thinking about you babe  
You're my one desire  
Gonna wrap my arms around you  
Hold you close to me  
Oh babe I wanna taste your lips  
I wanna fill your fantasy, (yeah)  
I don't know what I'd do without you, babe  
Don't know where I'd be  
You're not just another lover  
No, you're everything to me  
Everytime I'm with you baby  
I can't believe it's true  
When you're laying in my arms  
And you do the things you do  
You can see it in my eyes  
I can feel it in your touch  
You don't have to say a thing  
Just let me show how much  
Love you, need you, (yeah)  
I wanna kiss you all over  
And over again  
I wanna kiss you all over  
Till the night closes in  
Till the night closes in  
Stay with me  
Lay with me,  
Holding me,  
Loving me, baby  
Here with me,  
Near with me,  
Feeling you close to me, baby  
So show me, show me everything you do  
'cause baby no one does it quite like you  
Love you, need you, oh, babe  
I wanna kiss you all over  
And over again  
I wanna kiss you all over  
Till the night closes in  
Till the night closes in  
Repeat over, and over
