When I get home babe, I'm gonna light your fire  
All day I've been thinking about you babe  
You're my one desire  
Gonna wrap my arms around you  
Hold you close to me  
Oh babe I wanna taste your lips  
I wanna fill your fantasy  
I don't know what I'd do without you, babe  
Don't know where I'd be  
You're not just another love  
No, you're everything to me  
Everytime I'm with you baby  
Can't believe it's true  
When you're laying in my arms  
And you do the things you do  
You can see it in my eyes  
I can feel it in your touch  
You don't have to say a thing  
Just let me show how much  
I love you, I need you, babe  
I wanna kiss you all over  
And over again  
I wanna kiss you all over  
Till the night closes in  
Till the night closes in  
No one else can ever make me feel the way you do  
Oh keep on loving me baby  
And I keep on loving you  
It's easy to see when something's right and something  
wrong  
Well stay with me baby  
And hold me all night long  
So show me, show me everything you do  
Cause baby no one does it quite like you  
I love you, I need you, babe  
I wanna kiss you all over  
And over again  
I wanna kiss you all over  
Till the night closes in  
Till the night closes in  
Stay with me  
Lay with me

Holding me  
Loving me, baby  
Here with me  
Near with me  
Feeling you close to me, baby  
So show me, show me everything you do  
Cause baby no one does it quite like you  
I love you, I need you, babe  
I wanna kiss you all over  
And over again  
I wanna kiss you all over  
Till the night closes in...
