You are the mountain top
I always wanna climb
My blood is running high
You're stuck on my mind, yeah

You're every schoolboy's dream
But you are here with me
There is no other place
Where'd you rather be

You whisper words of sweet loving in my ears
You seem to know what I wanna hear

Oh, oh, oh, let's stay together
Let's stay together
Oh, oh, oh, let's stay together
Now and forever

Girl, I would run all night
To be back in your arms
'Cause when you hold me tight
The whole hurt is lost

It beats a novel time
I'm crazy 'bout you
I love the way you do
The things that you do

You make me shiver
You take my breathe away
I'm down on bended knees
Hear what I say

Oh, oh, oh, let's stay together
Let's stay together
Oh, oh, oh, let's stay together
Now and forever
Oh, oh, oh, let's stay together
Now and forever

You're irresistible
I cannot get enough

I'd beg and steal for you
I'm blinded by your love

Just like a river flowing into the sea
I'm gonna run to you
You're my destiny

You make me shiver
You take my breathe away
I'm down on bending dreams?
Hear what I say

Oh, oh, oh, let's stay together
Let's stay together
Oh, oh, oh, let's stay together
Now and forever

Oh, let's stay together
