I woke up this morning  
And the sun was gone  
Turned on some music  
To start my day  
I lost myself in a familiar song  
I closed my eyes and I slipped away  
More than a feeling  
When I hear that old song they used to play  
I begin dreaming  
When I see my marianne walk away  
I see my marianne walking away  
So many people have come and gone  
The faces fade as the years go by  
And still I recall as I wonder on  
As clear as the sun in the southern sky  
More than a feeling  
When I hear that old song they used to play  
I begin dreaming  
When I see my marianne walk away  
I see my marianne walking away  
When I'm tired and thinking cold  
I hide in my music, forget the day  
And dream of a girl I used to know  
I closed my eyes and she slipped away  
She slipped away  
She slipped away  
More than a feeling  
When I hear that old song they used to play  
I begin dreaming  
When I see my marianne walk away  
More than a feeling  
When I hear that old song they used to play  
I begin dreaming  
When I hear that old song they used to play  
More than a feeling
