Are we really happy here with this lonely game we play?
Searching for words to say
Searching but not finding out here, we're standing
anyway
We're lost, here in this mask, this masquerade

We're both afraid to say we're not too far away
No, no, no, from being close together from the start
We try to talk it over, but the words got in the way
We're lost inside this lonely game we play

Thoughts of leaving disappears, every time I see your
eyes
No matter how hard I try, try
To understand the reasons that we carry on this way
We're lost here in this mask, masquerade

Masquerade, mask, masquerade
Masquerade, mask, masquerade
Masquerade, mask, masquerade

Masquerade, mask, masquerade
Masquerade, mask, masquerade
Masquerade, mask, masquerade
Masquerade, mask, masquerade
