Satisfy You

It breaks my heart
How I hang on every word you say
Well I don't know if you even feel the same
Baby, I've been giving you time
I'm hoping that someday you'll tell me
Tell me what you really mean

I know you think
You can say the words I want to hear
Well I don't care if you even take the blame
Baby, I've been giving you time
I'm praying that one day you'll tell me
Tell me what you really mean

You lead me on
You let me down
You let me go
To satisfy you

You lead me on
You let me down
You let me go
To satisfy you

My friends told me
That I kept giving up my life
Well I don't know if you even feel some shame
Baby, I've been giving you time
I'm dreaming that someday you'll tell me
Tell me what you really mean

You lead me on
You let me down
You let me go
To satisfy you

You lead me on
You let me down
You let me go
To satisfy you

INSTRUMENTAL BREAK

You lead me on
You let me down
You let me go
To satisfy you

You lead me on
You let me down
You let me go
To satisfy you
