When I was young  
I knew I'd be someone  
And the heavens only know  
What I was meant for  
But then life  
Kept getting in my way  
I wanted to fade away  
Into every shade of grey

The sky will turn to color  
I want a real lover  
But all I get is nothing  
Until I paint in color  
Stop hiding undercover  
Walk a little farther  
But all I get is nothing  
Until I paint in color

When I was grown  
I felt my heart was on loan  
And destiny only knew  
What I was kept from  
But my soul,  
Meant lessons to be learned  
I needed to fly above  
Cover up shades of red

The sky will turn to color  
I want a real lover  
But all I get is nothing  
Until I paint in color  
Stop hiding undercover  
Walk a little farther  
But all I get is nothing  
Until I paint in color

Instrumental Break

The sky will turn to color  
I want a real lover  
But all I get is nothing  
Until I paint in color

Stop hiding undercover  
Walk a little farther  
But all I get is nothing  
Until I paint in color

The sky will turn to color  
I want a real lover  
But all I get is nothing  
Until I paint in color  
Stop hiding undercover  
Walk a little farther  
But all I get is nothing  
Until I paint in color
