[Verse 1]

Her blonde hair blowin'  
Blowin' in the wind got that  
White sunglasses on  
On her tan skin  
She takes no time to get my full attention  
Got, got her in my sight  
Did I fail to mention that she's

[Hook]

So Cool  
She's just a girl that  
That takes me  
Takes me to the limit got  
Got no school  
Tomorrow so I'm free  
Got that time  
To take her with me

[Verse 2]

I'll take her down to Newport  
We'll dance out in the sun  
Our bare feet in the sand we'll  
Find a beat for everyone  
Jump in the ocean dive  
Under some waves  
The water shining on her skin  
It drives me crazy cause she's

[Hook]

So Cool  
She's just a girl that  
That takes me  
Takes me to the limit got  
Got no school  
Tomorrow so I'm free  
Got that time  
To take her with me

[Verse 3]

We'll skate down at the boardwalk  
I'll take her to the pier

We'll catch a movie  
I'll treat her to a dinner then  
At night I'll show her my favorite stars  
Up in the sky  
I'll show her how I feel by  
Giving her a good time cause she's

[Hook]  
So Cool  
She's just a girl that  
That takes me  
Takes me to the limit got  
Got no school  
Tomorrow so I'm free  
Got that time  
To take her with me

[Bridge]  
Even on a cloudy day  
She brings along the sun  
When the two of us get together  
It's a guarantee we'll have fun  
No matter where we are  
No matter what we do or see  
Everyone can tell that she's  
The princess of the beach  
Because she's

[Hook]  
So Cool  
She's just a girl that  
That takes me  
Takes me to the limit got  
Got no school  
Tomorrow so I'm free  
Got that time  
To take her with me

[Hook]  
So Cool  
She's just a girl that  
That takes me  
Takes me to the limit got  
Got no school  
Tomorrow so I'm free  
Got that time  
To take her with me

[Hook]  
So Cool  
She's just a girl that

That takes me  
Takes me to the limit got  
Got no school  
Tomorrow so I'm free  
Got that time  
To take her with me
