Help me to say  
Whats on my mind  
You can crawl along the way  
Beg for Forgiveness

Please Understand where Im coming from  
When it comes to friendship right and wrong  
Please Understand that I do belong  
I just want to keep it going  
I just want to keep it going on

Help me to pray  
Get Down on my Knees  
Would you live another day  
Just for me  
So I can Say

Please Understand where Im coming from  
When it comes to friendship right and wrong  
Please Understand that I do belong  
I just want to keep it going on  
Please Understand where Im coming from  
When it comes to friendship right and wrong  
Please Understand that I do belong  
I just want to keep it going  
I just want to keep it going  
I just want to keep it going on

and on and on and on....

Please Understand where Im coming from  
When it comes to friendship right and wrong  
Please Understand that I do belong  
I just want to keep it going on  
Please Understand where Im coming from  
When it comes to friendship right and wrong  
Please Understand that I do belong  
I just want to keep it going  
I just want to keep it going  
I just want to keep it going on
