I realize that everywhere I go people think it's a fashion show  
A party they see a cool place to be to show off their masculinity  
I make sure that I look my best wear my clothes to show off my chest  
then the others will finally see what a cool person I must be  
gonna get myself real high  
gonna find me a real rad guy  
I'll get at least three chicks tonight  
then I'll look cool when I win this fight  
what a fun time they must have  
claiming generation x  
well if you ask me I don't know  
it all looks like a fashion show
