As I pray for what I am  
To my God that made me damned  
I see myself in front of me  
A man I never choosed to be

I turn my face against the sun  
And I wish my heart could burn  
I force my eyes to open wide  
God you made me cold inside

You made me...You made me...  
You made me cold inside  
You made me...You made me...  
You made me cold inside

A stone of ice is what you gave  
Inside of me inside of lies  
I cannot cry I've never done  
And my question now is why

I turn my face against the sun  
And I wish my heart could burn  
I force my eyes to open wide  
God you made me cold inside  
You made me...You made me...  
You made me cold inside  
You made me...You made me...  
You made me cold inside

I turn my face against the sun  
And I wish my heart could burn  
I force my eyes to open wide  
God you made me cold inside

You made me...You made me...  
You made cold inside  
You made me...You made me...  
You made me cold inside

I turn my face against the sun  
And I wish my heart could burn  
I force my eyes to open wide

God you made me cold inside

You made me...You made me...

You made cold inside

You made me...You made me...

You made me cold inside
