Chorus

It's true love, baby girl I just wanna tell you how
I feel.

It's true love, baby girl I just wanna tell
you how I feel.

It's true love baby, boy I just wanna tell you how
I feel.

It's true love baby boy I just wanna tell
you how I feel.

It's true love

Verse

baby girl, I just wanna tell you how I feel, im not the
only guy
in this world, but I just wanna tell you that
it's true love, you said you need me like I need you.
and you can't be without me
like I can't be withchu, its true when we spending time
talkin on the phone, don't wanna be alone
it's true love.

Chorus

It's true love, baby girl I just wanna tell you how
I feel.

It's true love, baby girl I just wanna tell
you how I feel.

It's true love baby, boy I just wanna tell you how
I feel.

It's true love baby boy I just wanna tell
you how I feel.

It's true love

Verse

Somebody is makin true love tonight, you make
everything
alright.

I will grub your hand, cause I understand love is good
you will be the luck-sty mmmmmmmman.

Chorus

It's true love, baby girl I just wanna tell you how
I feel.

It's true love, baby girl I just wanna tell
you how I feel.
