Verse

My heart belongs to you
So what could I do
To make you feel I'm down with
You see me hanging around
But you don't know how you make me feel for you, and
Each and every day, I try to make some sense of this
What you mean to me, I know it could be serious
Each and every nite, I dream about you just holding
you
Loving you like this, what is a girl supposed to do?
Ok! Baby I know you don't trust east African boys
But let me tell you something, baby I love you more
than anything in this world
I know G-Marley says do not trust nobody in this world,
but trust me I love you.

Verse 3

Yeah, You're the only one for me
I love you, I want you, I need you in my life
Can't you see what you mean to me
Baby come hold me tight
I miss you, wanna kiss you
Every time I see your face
Baby I'll be waiting for you
Each and every day
I love you
I want you, you are the one that I live for and I can't
take it any more
Baby please trust me this is a true love I'm not
trying to play a game with you girl.
