(Verse 1)

Even though we haven't spoke in a while
It's still hard, just to live without you smile
Do you know why your heart left away?
Through the flames I've often struggled to say
(Hook)

I'm burning out, I'm ashed away
There's no coming back now, I have left to stay
Cause I'm burning out, and can't be saved
There's none, left of me now, gone are all my days
(Verse 2)

Sleepless nights left to fall on my own
Though you said that you'd be here until I'm gone
Can't be strong, when my reason is gone
Though I'm lost now, seemed it lasted for so long
(Hook)

(Outro)

I found my place at the bottom (2x)
Of the tray
